**RE: Standing Rock Telecommunications, Inc.
E911 Location Accuracy Certification, PS Docket No. 17-78
Request for *Nunc Pro Tunc* Acceptance of Certification Filing**

Dear Ms. Dortch:

Standing Rock Telecommunications, Inc. ("SRTI"), by its counsel, hereby submits the certification required pursuant to 47 C.F.R. §20.18(i)(2)(iii)(C) for 2017, and consistent with the Federal Communications Commission's Public Notice, *Public Safety and Homeland Security Bureau Provides Guidance to CMRS Providers Regarding Certification of Compliance with E911 Location Accuracy Requirements*, PS Docket Nos. 07-114 and 07-78, DA 17-306 (rel. March 30, 2017). SRTI is a tribally owned communications provider serving the Standing Rock Reservation and needed additional time to calculate data obtained from network updates implemented in the months just prior to the April 2 compliance deadline and therefore requests *nunc pro tunc* acceptance of this certification filing.

Please contact the undersigned counsel if you have any questions.

Respectfully submitted,

Gregory W. Whiteaker
Counsel for Standing Rock
Telecommunications, Inc.
